SOCIETY

Birthday Party—

A delightful occasion on the social calendar for the younger set was the birthday party of Miss Laurie Smithers on Tuesday. It was the young hostess' thirteenth birthday and about 75 playmates were present to help her celebrate and enjoy the day. Misses Ruth and Russic Hembree served cool nectar on the piazza while the young folks played games on the lawn. Later a delightful sweet course in pink and white was served all while seated on the lawn and ended a happy event for all present.

Miss Lola Bell Ramsey at Home—

A charming event for the social set was the "At Home" given by Miss Lola Bell Ramsey on Friday evening in Laurens and Miss Janie Gilreath of honor of her guest, Miss Roper of Greenville, the house guest of Mrs. Julian Clinkscale. The parlors and piazzas were most attractive with bowers, ferns and lanterns and were a fit setting for the bright and merry young people who filled the rooms during the evening; music lent an additional charm and the event was one of great pleasure to the young people who were so fortunate as to be Miss Ramsey's guests.

Dance at Mrs. Raymond Cochran's—

A small party of young people were pleasantly entertained on Tuesday evening at a dance by Mrs. Raymond Cochran at her home in West End. The broad front porch was used for the dancing and was delightfully cool and pleasant. Mrs. Cochran's house guest, Miss Loretta Cochran of Charleston was the attractive honoree, and she was also assisted in receiving and entertaining by her sister, Miss Dot Coffee. A dainty sweet course was served during the evening.

"Spend the Day" Party—

Miss May Ligon charmingly entertained about a dozen of her friends at a spend the day party on Tuesday at her lovely home on W. Whitner street. Miss Dowling's Tennis Party—

On Thursday afternoon, Miss Laurie Dowling gave a little tennis party to eight of her friends, who play constantly on her nice new court. The Philatelic class of the Central Presbyterian church gave a delightful picnic on Monday afternoon in the park at North Anderson. Vesuvius and many other points of interest.

Concert at Presbyterian Church—

The program for the sacred concert at the First Presbyterian church next Tuesday evening promises to be one of the finest ever given in Anderson. The selections are unusually attractive and rehearsals are being held every day. The orchestral work is particularly fine and those who heard Miss Curtis' beautiful contralto voice last Sunday know what to expect from her. Miss Gertrude Smith whose sweet voice is also known here will also take part. A free will offering will be taken up for the benefit of the Senior Philatelic class.

Savannah, July 17.—Querido Moreno, former Mexican minister of commerce, who passed through here tonight on his way to New York, said he hoped to enlighten the American people on "the grave injustice which President Wilson has done to General Huerta. He thought the one alternative would be unsuccessful in establishing a stable government in Mexico.

"General Huerta is one of the greatest men Mexico has ever known," added

Senor Moreno. "He has been grossly misrepresented in the United States."

NEW HAVEN ROAD IS GIVEN CHANCE

In the New Discussion—Boston and Maine Stock Bore of Contention

Washington, July 18.—The New Haven Railroad will be given on more chance to avoid an anti-trust today agreed to a conference with a committee of the roads directors.

President Huetts, of the New Haven board, made the appointment, but his telegram did not explain what new plan might be offered. The only point in controversy is how the railroad's Boston and Maine stock shall be sold. The Massachusetts legislature put a condition on the sale of the stock. The New Haven directors have agreed not to accept that condition. Mr. McKeenolds is insisting the condition be accepted and it is certain the department will not agree to any solution not providing that the Boston and Maine be sold.

It was pointed out today that the New Haven committee might ask a delay until next winter so the Massachusetts legislature might have an opportunity to remove the condition. Although Mr. McKeenolds has not stayed his anti-trust suit for many months, it was understood today he would not consent to such a delay. Failure of the committee to present some plan acceptable to the department probably would follow almost immediately by the filing of the suit.

HEAVY FINES AND SENTENCES

For Fraudulent Use of the United States Mail Is Imposed On Offenders

Chicago, July 17.—Convicted with seven others of having used the mails to defraud in the operation of the Harr & Widen Mercantile Agency, Abraham H. Freeman, of Chicago, and Frederick L. Wendler, St. Louis, today were sentenced to eight years imprisonment each and fined \$30,000 each in federal court.

Among the other defendants and the penalties imposed were:

Joseph T. Stevens, Kansas City, Joseph H. Pinkelman, Kansas City, and Robert B. Pender, each three years and a fine of \$2,500. The government charged that more than \$1,000,000 was obtained by convincing creditors of bankrupts that their accounts would be collected by the agency from "concealed assets" of the bankrupts.

The government contended that after receiving fees from many states for collecting such accounts the agency made no effort to serve its clients.

The defendants were admitted to bail pending action on their appeal to the United States circuit court of appeals.

The commission previously had held in its order establishing through rates over the connecting lines that rates must be identical with those of the Chesapeake and Ohio.

The principal southeastern destinations to which the increase allowed today will be applicable are: Clifton Forge, Covington, Richmond, Norfolk, Petersburg, Alexandria and Danville, Va.; Greensboro, Durham, Wilmington, Monroe and Charlotte, N. C.; Columbia, Charleston, Aiken, Darlington and Camden, S. C.; Atlanta, Savannah, Macon and Augusta, Ga.; and Fernandina and Jacksonville, Fla.

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave

Up in Despair. Husband Came to Rescue.

Patron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

Got Missing Figures

THE General Manager was presenting plans for an extension of the factory to the company's directors at Detroit. He found that he had left an estimate sheet in his desk at the factory. He called up the factory on the Bell Long Distance Telephone. His assistant read the figures to him and the directors were able to act without delay.

Annoying delays are avoided by the use of the Bell Telephone.
